Joyce Carnell, Grace Zender (both aged 18), and Joan Drake (aged 19).

On Tuesday, the 83rd anniversary of the bombing, staff, students, and parents gathered in the Chapel for a short memorial service. The service was lead by Hockerill parent Rev'd Dr Forrest and we were joined by the Mayor of Bishop's Stortford, Councillor Richard Townsend, whose three children are

alumni of Hockerill. Phebe Adejuwon, who played past Vice-Principal Grace Wood in last year's production of October 1940, read from Ecclesiastes with clarity and confidence. Mr Cox played the

organ, including a beautiful rendition of Elgar's Nimrod. The service was very moving and will be

We have celebrated East and South East Asia Heritage Month at Hockerill this September. Y13 students who study Japanese led the assembly for a week and inspired others. They also organised the whole school 1000 Crane Project to create a symbol for world peace. Y11 and 13 students on Japan Trip 2023 will take our cranes to Hiroshima in December while they visit Peace Memorial. The month saw some fun activities including the film night with Spirited Away. It is a rare occasion where we could sit in the chapel to enjoy the critically acclaimed film in twilight. The concluding part of the month long celebration was Ramen Challenge which took place this week. Y12 and 13 students bravely took up the cooking challenge. If you wonder how it went; the younger students were lured by the aroma and crowded in front of the Food Technology room! Here is a piece of feedback we have received from some participants. "We would just like to thank you again for organizing such an amazing activity. It was truly the highlight of our year so far, and Hockerill is so lucky to have staff who set up these experiences and opportunities for us. In support of the East and Southeast Asian Heritage month, Teachers had kindly invited students to a 'Ramen Cooking Challenge'. We were one of the many teams that participated, and we are so thankful that she coordinated this event as it was full of pure enjoyment. Although, the primary goal was to prepare an edible ramen meal, our culinary journey yielded much more than delicious noodles. The Ramen Challenge encapsulated the essence of our commitment to open-
